

Spring Cleaning?

GreenWaste of
Palo Alto can help

Call for a Clean Up Day or Clean Out!

**THE CLEAN UP DAY AND BUSINESS CLEAN OUT
SERVICE ARE AVAILABLE TO COLLECT YOUR EXCESS
RECYCLABLES, YARD TRIMMINGS, AND BULKY ITEMS.**

Clean Up Day

Please donate all reusable items prior to scheduling your Clean Up Day.

THE CLEAN UP DAY PROGRAM provides businesses and multi-unit complex managers with an opportunity to have bulky items and excess recyclables, compostables/yard trimmings picked up curbside once per calendar year.

- **Schedule your Clean Up Day by calling GreenWaste at (650) 493-4894 at least one week in advance.**
- Your Clean Up Day will be scheduled on one of your normal collection days.
- You are allowed up to four bulky items (e.g., furniture, mattresses, appliances) with a weight limit of 200 pounds each.
- Place excess containerized recyclables and yard trimmings/compostables for collection. Containers will not be returned and all yard trimmings/compostables must be in paper bags or cardboard boxes. Total weight of each container must be less than 60 pounds.

Please call for additional guidelines.

THE BUSINESS CLEAN OUT SERVICE

provides you with extra recycling capacity for a temporary clean out or file purge that creates more recyclables than your regular recycling service can accommodate.

- **Schedule your Clean Out Service by calling GreenWaste at (650) 493-4894.**
- The Clean Out Service consists of up to two 2-cubic yard recycle bins.
- You are allowed to have these bins for up to five days per calendar year, at no additional cost.

Full bins will be emptied, with 24 hour notice, Monday through Saturday.
